Qualifications and Description:

Dr. Leo Gómez, retired professor in Bilingual Education, has supported the implementation of the *Gómez & Gómez Elementary Dual Language Enrichment (DLE) Model* since 1996. The **Dual Language Training Institute** is offering a *5-Day DLE Training Institute* to provide deeper understanding using this DLE program. This 5-Day DLE training institute provides the tools to continue to sustain a *One-Way DLE Program* for Dual Language Learners (DLLs) only or a *Two-Way DLE Program* for all students. Dr. Gomez has been extensively involved in the development, implementation and assessment of the *Gómez & Gómez Elementary Dual Language Enrichment Model*, originally developed in 1995. The consistent implementation of this program has proven effective in improving the long-term academic and linguistic achievement of participating Spanish and English dominant students for the last 21 years.

Today, the **Gómez & Gómez Elementary DLE Model** is successfully implemented in over **736 elementary schools** and the **Secondary DLE Model** is successfully implemented in **16 middle schools and 6 high schools** in **139 school districts across 11 states serving thousands of DLLs: Alaska, California, Colorado, Illinois, Kansas, New Mexico, New York, Oklahoma, Oregon, Texas and Washington.**

For districts & schools currently implementing the Gómez & Gómez DLE Program, the *5-Day DLE Training Institute* will provide a deep philosophical, theoretical and pedagogical understanding of all program components and strategies. Topics will include purpose and benefits of DLE; program benchmarks; print-rich classrooms; LOD; Bilingual Pairs; Challenging, Interactive and Authentic (CIA) lessons following 7-Step Lesson Cycle; ELA/SLA Curriculum Mapping; BLCs, BRCs/PBL, and SVEs. This 5-Day training will enable participants to better support their respective DLE program at their school or district, increase program fidelity and maximize student outcomes.

Note: Districts or schools that are currently TOT certified on the Gómez & Gómez DLE Model, or in the process of completing TOT certification, will be able to continue their certification and/or complete the certification process. Certified trainers will be able to re-certify following established re-certification guidelines. To certify additional TOT personnel, eligible district staff would begin TOT certification process by attending this 5-Day DLE Training Institute (Phase 1).
